MANIKANTA GROUP

ONE GROUP. MULTIPLE SECTORS. ONE VISION.

- INTEGRATED SOLUTIONS
- QUALITY & SAFETY
- TRUSTED PARTNER
- TIMELY EXECUTION
- SKILLED WORKFORCE

POWERING INFRASTRUCTURE BUILDING A STRONGER ANDHRA PRADESH

MANIKANTA POWER SERVICES

MAINTENANCE | SERVICES | SUPPLY & ERECTION

- Electrical Maintenance
- Substation Works
- Supply & Erection
- HT / LT Installations
- AMC & Retrofitting
- Testing & Commissioning

RELIABLE POWER SOLUTIONS FOR A BRIGHTER TOMORROW

MANIKANTA POWER SERVICES PVT LTD

TURNKEY ELECTRICAL SOLUTIONS

- HT / LT Electrical Projects
- Panel Manufacturing
- Industrial & Commercial Installations
- Energy Audits & Power Quality Solutions
- Operation & Maintenance (AMC)
- Turnkey Project Execution

ENGINEERING EXCELLENCE IN EVERY PROJECT

MANIKANTA ELECTRICAL NABL TESTING LAB

TESTED FOR SAFETY | TRUSTED FOR PERFORMANCE

NABL ACCREDITED

- Transformer Oil Testing
- Electrical Equipment Testing
- NABL Accredited Laboratory
- Insulation & Diagnostic Tests
- Comprehensive Test Reports
- Support for Government & Private Projects

ACCURATE TESTING FOR A SAFTER TOMORROW

MANIKANTA CONSTRUCTIONS & INFRA PVT LTD

CIVIL | INDUSTRIAL | INFRASTRUCTURE

- Civil Construction
- Industrial & Commercial Projects
- Infrastructure Development
- Buildings, Factories & Warehouses
- Turnkey Civil Works
- Quality & Timely Execution

BUILDING STRONG FOUNDATIONS FOR A BETTER TOMORROW

MANIKANTA READY MIX CONCRETE (RMC) PLANT

HIGH QUALITY CONCRETE FOR STRONGER INFRASTRUCTURE

- High Quality Ready Mix Concrete
- Consistent Strength & Quality
- Modern Plant & Fleet
- Timely Supply Across Andhra Pradesh
- Customized Mix Designs
- Support for All Types of Projects

CONCRETE SOLUTIONS FOR A STRONGER TOMORROW

THE ONE GROUP FOR ALL ELECTRICAL, CONSTRUCTIONS AND HIGHWAYS

WITH OUR OWN READY MIX PLANT FOR ALL PRIVATE AND GOVERNMENT WORKS IN ANDHRA PRADESH

- End-to-End Solutions Under One Group
- Cost Efficient with In-House RMC Supply
- Serving Both Private & Government Sectors
- Strong Presence Across Andhra Pradesh
- Quality, Safety and Timely Delivery
- Long-Term Partnerships for a Better Tomorrow

CONTACT NO: +91 8187898991 | manikantapowerservice@gmail.com | Tirupati, Andhra Pradesh

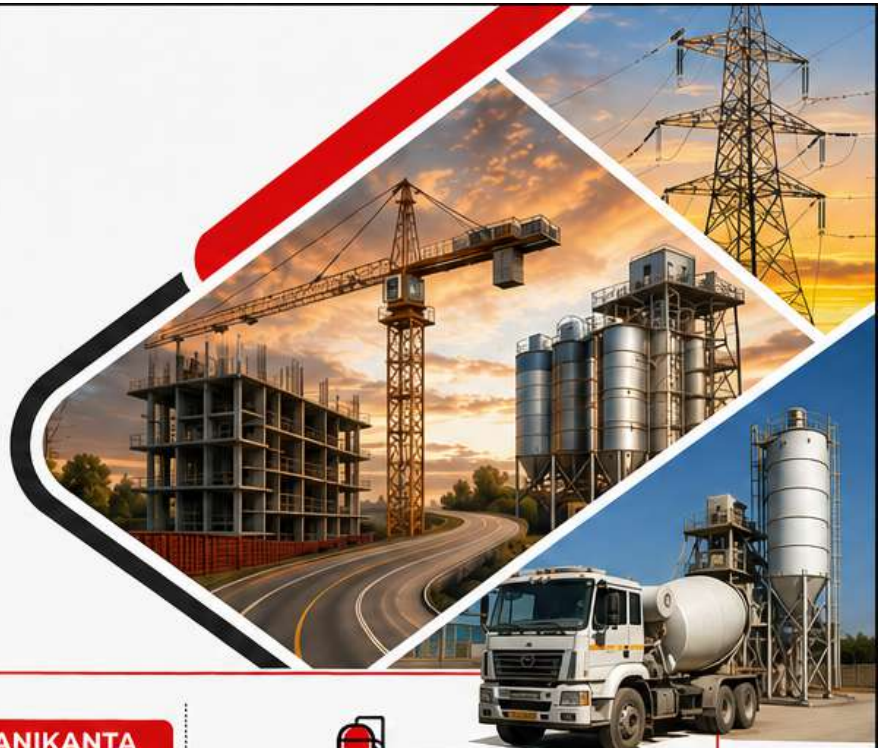

MANIKANTA GROUP

One Group. • Multiple Sectors. • One Vision.

Engineering Excellence Across Every Sector

WE WILL ASSURE THE BEST QUALITY

Manikanta Group is a diversified organization committed to delivering excellence in **power services, construction, infrastructure**, and **ready mix concrete** solutions.

OUR WINGS

1. MANIKANTA POWER SERVICES

Expertise in power infrastructure, transmission & distribution, maintenance, and turnkey electrical solutions.

2. MANIKANTA POWER SERVICES PRIVATE LIMITED

A trusted partner in power projects, offering reliable, efficient & innovative electrical solutions for a sustainable future.

3. MANIKANTA CONSTRUCTIONS & INFRA PVT LTD

Excellence in civil construction, infrastructure development, roads, bridges, and all types of building projects.

4. MANIKANTA RMC PLANT

High quality Ready Mix Concrete (RMC) for durability, strength & long-lasting performance in every project.

END TO END SOLUTIONS | ADVANCED TECHNOLOGY | 24/7 SUPPORT YOU CAN RELY ON

OUR SERVICES

DESIGN | EXECUTE | MAINTAIN | SUPPORT

1 132kV, 33kV, 11kV SWITCHYARD CONSTRUCTIONS & MAINTENANCE

- Design, Supply, Erection & Commissioning
- Turnkey Switchyard Solutions
- Routine & Preventive Maintenance
- Retrofit & Upgradation Works

2 CAD DRAWINGS, CEIG APPROVALS, ADDITIONAL LOAD WORKS & APPROVALS

- Single Line Diagrams & Detailed Drawings
- CEIG Approvals & Liaison
- Additional Load Applications
- Load Enhancement & Release Approvals

3 TRANSFORMERS INSTALLATION, FILTRATION, TESTING, MAINTENANCE & OLTC SERVICE

- Installation & Commissioning
- On-site Filtration & Drying
- Testing: Oil, Winding, Ratio, BDV, IR, etc.
- OLTC Testing, Maintenance & Repair

4 ALL TYPES OF VCB ACB RELAY INSTALLATION SERVICE & TESTING

- VCB / ACB Installation & Commissioning
- Protective Relay Installation & Testing
- Routine Testing, Calibration & Maintenance

5 ALL TYPES OF PANELS (APFC, MCC, PCC, CONTROL PANELS, PLCC, AUTOMATION PANELS) MANUFACTURING, INSTALLATION & COMMISSIONING

- Custom Built Panels Manufacturing
- Installation & Wiring
- Testing, Commissioning & Integration

6 LINE SHIFTING

- Line Shifting & Diversion
- Civil & Electrical Works
- Safe Execution with Minimum Downtime

7 ALL TYPES OF NEW HT ELECTRICAL LINES

- HT Line Planning & Execution
- Erection of Poles, Conductors & Accessories
- Testing, Commissioning & Energization

8 ANNUAL & PREVENTIVE MAINTENANCE

- Comprehensive Inspection & Servicing
- Preventive Maintenance to Avoid Breakdowns
- Improves System Efficiency & Life

9 ANY TIME EMERGENCY BREAKDOWN ATTENDING

- 24/7 Emergency Support
- Quick Response Team
- Fault Diagnosis & Rapid Restoration

10 CABLE TRAY WORKS

- Supply, Installation & Support of Cable Trays
- GI, MS, Aluminium & SS Cable Trays
- Neat, Safe & Durable Installations

11 NABL CALIBRATION SERVICES

- NABL Accredited Calibration Lab
- All Types of Electrical Measuring Instruments
- On-site & In-house Calibration Services

12 UNDERGROUND CABLE LAYING WORKS

- HT/LT Underground Cable Laying
- Trenching, Laying, Jointing & Termination
- As per CEI / IS Standards

13 SOLAR WORKS

- Solar Power Plant Installation
- Rooftop & Ground Mounted Solutions
- Net Metering & Grid Integration

14 NEW EARTH PITS INSTALLATION

- Earth Pit Design & Installation
- Copper / GI Earth Electrode Installation
- Earth Resistance Testing & Certification

15 FIRE PROTECTION SYSTEMS

- Fire Alarm Systems
- Fire Hydrant & Sprinkler Systems
- Installation, Testing & AMC Services

16 HVAC WORKS

- HVAC System Design & Installation
- Ducting, Piping & Insulation Works
- Testing, Commissioning & Maintenance

TRANSFORMER OIL FILTRATION SERVICES

CLEANER OIL | BETTER PERFORMANCE
LONGER EQUIPMENT LIFE

OUR OIL FILTRATION SERVICES

- Removal of Moisture, Acidity and Sludge
- Improves Dielectric Strength
- Extends Transformer Life
- Online / Offline Filtration
- High Vacuum Dehydration & Degassing
- Suitable for Power & Distribution Transformers
- Using Advanced Vacuum Oil Filtration Plant
- Eco-friendly and Safe Process

ALL TRANSFORMER TESTING SERVICES

1 TRANSFORMER OIL TESTING

- BDV (Dielectric Strength)
- Moisture Content
- Acidity (TAN)
- Interfacial Tension (IFT)
- DGA (Dissolved Gas Analysis)
- PCB (if required)

2 INSULATION RESISTANCE (IR) TEST

- HV to LV, HV to Earth,
- LV to Earth
- As per IEEE/IS Standards
- Polarization Index (PI)
- Dielectric Absorption Ratio (DAR)

3 WINDING RESISTANCE TEST

- For all Tap Positions
- OLTC Testing
- Detection of Loose Connections

4 TURNS RATIO TEST (TTR)

- HV, LV & Tertiary Windings
- Phase Deviation Check
- As per IEEE/IS Standards

5 TAN DELTA / POWER FACTOR TEST

- Bushings, Windings & Cable
- Capacitance
- Moisture / Insulation Condition Assessment

6 DISSOLVED GAS ANALYSIS (DGA)

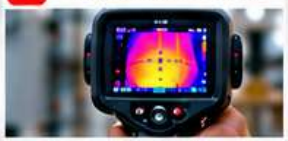

- As per IEC 60567 / IS 1866
- Detection of Internal Faults
- Trend Analysis & Diagnosis

7 FURAN ANALYSIS

- Insulation Paper Condition Check
- Remaining Life Assessment

8 THERMOGRAPHIC SURVEY

- Hotspot Identification
- Connection Healthiness Check
- Preventive Maintenance

RELIABLE INFRASTRUCTURE FOR A SMARTER AND SAFER TOMORROW

UNDERGROUND CABLE LAYING WORKS

USING HDD TECHNOLOGY & CABLE TRENCHING ON ROADS

ALL CABLE WORKS IN CITIES WILL BE DONE | RELIABLE & UNINTERRUPTED POWER SUPPLY

- MODERN EQUIPMENT
- SAFE EXECUTION
- MINIMUM DISRUPTION
- CLEANER & GREENER CITIES

HDD MACHINE CABLE LAYING

TRENCHLESS TECHNOLOGY FOR UNDERGROUND CABLES

- Horizontal Directional Drilling (HDD) for underground cable laying
- Suitable for roads, highways, river crossings, buildings and congested areas
- No damage to existing roads, traffic or utilities
- Fast and safe installation
- Suitable for HT & LT power cables, OFC and other utility cables
- Environment friendly and minimal disruption

CABLE TRENCH WORKS ON ROADS

BY ROAD CUTTING MACHINE

- Precision road cutting for cable trenches
- Proper trench depth and width as per standards
- Supply, laying and termination of HT / LT cables
- Backfilling and road restoration (RCC / Bitumen)
- Execution with minimum traffic disruption
- Suitable for urban and rural areas
- All types of cable works in cities

HDD DRILLING

CABLE PULLING

RIVER / CANAL CROSSING

COMPLETED HDD WORK

ROAD CUTTING

CABLE TRENCH

CABLE LAYING

BACKFILLING & ROAD RESTORATION

OUR CABLE WORKS SCOPE

- HT & LT Power Cables Laying
- OFC / Communication Cables
- Cable Trenching & Duct Installation
- HDD Trenchless Cable Laying
- Jointing, Termination & Testing
- Street Lighting Cables
- Earthing & Accessories
- Complete Civil Works & Restoration

PROJECT APPLICATIONS

- URBAN DEVELOPMENT
- INDUSTRIAL ESTATES
- SMART CITY PROJECTS
- HIGHWAYS & ROADS
- GOVERNMENT PROJECTS
- COMMERCIAL COMPLEXES
- RESIDENTIAL TOWNSHIPS
- INFRASTRUCTURE PROJECTS

WHY CHOOSE US?

- Advanced HDD & Road Cutting Equipment
- Experienced & Skilled Team
- Quality Workmanship & Safety Compliance
- Timely Project Completion
- Support for Government & Private Projects
- Cost Effective & Reliable Solutions

MANIKANTA
POWER SERVICES PVT LTD

ENGINEERING PRECISION. BUILDING STRENGTH.

QUALITY FABRICATION. STRONGER SOLUTIONS.

Manikanta Power Services Pvt Ltd is dedicated to delivering high-quality fabricated products and components that meet the highest industry standards. With advanced technology, skilled workforce, and a commitment to excellence, we support infrastructure and industrial growth across diverse sectors.

EXPERT TEAM
Skilled professionals with vast experience

QUALITY ASSURED
Committed to quality in every service

SAFETY FIRST
Strict adherence to all safety standards

ON TIME DELIVERY
Committed to timelines & customer satisfaction

ENGINEERING PRECISION BUILDING STRENGTH

OUR SERVICES

01 FABRICATION WORKS

We undertake all types of fabrication works for industrial, commercial, and infrastructure projects. Our services include cutting, bending, welding, assembling, and finishing of MS structures and components as per customer specifications. We ensure precision, durability, and timely delivery in every project.

Fabricated Structures

Cable Support Structures

Platforms & Walkways

02 CLAMPS MANUFACTURING

We manufacture a wide range of high-quality clamps used in electrical, industrial, and structural applications. Our PSCC pole clamps are specially designed for strength, durability and long service life. All products are manufactured using premium raw material and tested for quality and reliability.

PSCC Pole Clamps

Different Sizes

Installation on PSCC Poles

03 MS ANGLES, CHANNELS MAKING

We specialize in the manufacturing of MS Angles and Channels in various sizes and thicknesses as per IS standards and customer requirements. Our products are widely used in construction, fabrication, electrical, and engineering industries for their superior quality and performance.

MS Angles

MS Channels

MS Square & Rectangular

04 ELECTRICAL NABL CALIBRATION SERVICES

NABL

We provide NABL accredited electrical calibration services for a wide range of measuring and testing instruments. Our calibration ensures accuracy, reliability, and compliance with national and international standards. Certificates issued are accepted across industries for audit and quality assurance.

ELECTRICAL NABL TESTING LAB

ACCURATE TESTING. ASSURED QUALITY.

Our NABL Accredited Electrical Testing Lab is equipped with state-of-the-art instruments and manned by experienced professionals to deliver precise, reliable and traceable calibration & testing services as per national and international standards.

- TRACEABLE RESULTS
- EXPERIENCED TEAM
- MODERN EQUIPMENT
- ON-TIME DELIVERY

ABOUT OUR LAB

- NABL Accredited Laboratory as per ISO/IEC 17025:2017
- Precision Testing & Calibration with Traceability to National / International Standards
- Highly Skilled & Experienced Technical Team
- On-site & In-house Calibration Services
- Timely Reports with Uncertainty Measurement
- Commitment to Quality, Safety & Customer Satisfaction

TESTING & CALIBRATION SERVICES

- Electrical Measuring Instruments (AC/DC)
- Clamp Meters & Insulation Testers
- Earth Resistance Testers
- Electrical Test Kits
- Megger / Insulation Resistance Testers
- Power Quality Analyzers
- Protection Relays & Relay Test Sets
- Temperature Calibrators
- Torque Wrenches & Screwdrivers
- And Many More Electrical & Electronic Instruments

Your Instruments. Our Precision. Better Performance.

SPECIALIZED TESTING & CALIBRATION SERVICES

OUTDOOR CT's

- Primary Injection Testing
- Ratio, Polarity & Phase Angle Testing
- Insulation Resistance Measurement
- Winding Resistance Measurement
- Accuracy Class Verification

OUTDOOR PT's

- Ratio & Polarity Testing
- Insulation Resistance Testing
- Burden Testing
- Accuracy Verification
- Functional Performance Testing

ABT METERS (Energy Meters)

- Accuracy Testing as per IS/IEC Standards
- Meter Calibration
- Load Survey Verification
- TOD (Time of Day) Verification
- CT/PT Ratio Validation

MFM METERS (Multifunction Meters)

- Calibration of Voltage, Current & Frequency
- Power Factor Verification
- Active, Reactive & Apparent Power Testing
- Energy Measurement Accuracy
- Communication Port Verification (RS485/ Modbus)

DGA TESTING (Transformer Oil)

- Dissolved Gas Analysis as per IEC 60567 / IS 1866
- Furan (Dissolved Condition Assessment of Transformer Oil)
- Helps in Preventive Maintenance & Extends Equipment Life

LAB FACILITIES

- Controlled Environment for Accurate Results
- Advanced Calibration Standards & Reference Instruments
- Regular Verification & Uncertainty Evaluation
- Compliance with ISO/IEC 17025:2017
- Strict Quality Control Procedures

WE ALSO CALIBRATE & TEST

- Digital Multimeters
- Clamp Meters
- Earth Resistance Testers
- Meggers (IR Testers)
- Micro Ohm Meters
- Primary Injection Kits
- Secondary Injection Kits
- Protection Relay Test Kits
- Power Quality Analyzers
- Energy Meters
- CTs & PTs
- ABT Meters
- MFM Meters
- Temperature Indicators
- Pressure Calibrators
- Torque Wrenches
- Voltage Testers
- Phase Sequence Indicators

INDUSTRIES WE SERVE

- Power Generation
- Transmission & Distribution
- Industries & Manufacturing
- Oil & Gas
- Infrastructure & Construction
- Renewable Energy

WHY CHOOSE US?

- NABL Accredited & Recognized Across India
- Reliable, Accurate & Traceable Results
- Fast Turnaround Time
- Customer Focused Approach
- Competitive Pricing
- Experienced & Qualified Team
- End-to-End Testing & Calibration Solutions

PRECISION TODAY. PERFORMANCE TOMORROW.

MANIKANTA
CONSTRUCTIONS & INFRA PVT LTD

MCIPL
READY MIX CONCRETE

INCLUDING RMC PLANT

BUILDING INFRASTRUCTURE | POWERING COMMUNITIES | SHAPING A BETTER TOMORROW

BUILDING STRONG FOUNDATIONS.
CREATING BETTER TOMORROWS.

Manikanta Constructions & Infra Pvt Ltd is a trusted name in the construction industry, delivering high-quality civil engineering solutions with precision, safety, and timely execution. With our advanced RMC plant and skilled workforce, we build infrastructure that lasts.

- **QUALITY** — Assured Quality in Every Project
- **ON TIME** — Timely Completion Guaranteed
- **SAFETY** — Prioritizing People & Performance

OUR SERVICES

01 ALL TYPES OF CIVIL WORKS

We undertake all kinds of civil construction works including industrial, commercial, residentiaal, and infrastructure projects with quality and durability.

02 CABLE TRENCH

We construct cable trenches as per industry standards ensuring proper safety, durability, and long-lasting performance.

03 SWITCH YARDS

We execute switchyard construction works with precision and compliance to meet all safety and operational requirements.

04 PLINTHS

We build strong and durable plinths for equipment, machinery, and structures ensuring stability and long-term reliability.

05 RMC PLANT

Our advanced RMC plant delivers high-quality ready mix concrete for all types of construction needs with consistency and timely supply.

WHY CHOOSE US?

- **Experienced & Skilled Team** — Professional workforce you can rely on
- **Timely Delivery** — On-time completion, every time
- **Advanced Equipment** — Modern machinery for efficient execution
- **Safety First** — We follow strict safety standards
- **Quality Materials** — We use the best for long-lasting results
- **Customer Satisfaction** — Committed to exceeding client expectations

RMC PLANT – READY MIX CONCRETE

- High Quality Concrete with Consistent Mix
- Modern Technology & Automation
- Timely Supply & Delivery
- Suitable for All Construction Needs

OUR PRODUCTS

READY MIX CONCRETE

CONCRETE PLINTHS

PRECAST CONCRETE ITEMS

CABLE TRENCH COVERS

MCIPL
READY MIX CONCRETE

READY MIX CONCRETE (RMC) PLANT

BUILDING STRENGTH. DELIVERING QUALITY.

We manufacture and supply high quality Ready Mix Concrete for all types of construction projects with state-of-the-art technology, quality materials and timely delivery.

BUILDING STRONG FOUNDATIONS. CREATING BETTER TOMORROWS.

- **MODERN RMC PLANT** — Fully Automatic Batching Plant
- **PREMIUM QUALITY** — IS Standard Mix Designs
- **TIMELY DELIVERY** — GPS Enabled Transit Mixers
- **QUALITY ASSURANCE** — Advanced In-house Testing Laboratory
- **CUSTOMER SUPPORT** — Professional Team & On-time Service
- **SAFETY & ENVIRONMENT** — Safe Operations & Eco-friendly Practices

OUR PRODUCTS

STANDARD GRADE CONCRETE

M5 M7.5 M10 M15 M20 M25

M30 M35 M40 M45 M50 M60

SPECIAL CONCRETE

- High Strength Concrete
- Pumpable Concrete
- Self Compacting Concrete (SCC)
- Waterproof Concrete
- Fibre Reinforced Concrete
- Early Strength Concrete
- Lean Concrete
- Pavement Concrete
- Mass Concrete

QUALITY ASSURANCE

We follow stringent quality standards at every stage of production.

Certified Raw Materials | Accurate Batching | Computerized Mixing | Laboratory Testing | Timely Dispatch

OUR SERVICES

READY MIX CONCRETE SUPPLY

Consistent quality concrete for all construction needs.

TRANSIT MIXER SERVICES

Timely delivery with GPS enabled transit mixers.

CONCRETE PUMPING SERVICES

Boom Pumps, Line Pumps & Trailer Pumps for all projects.

QUALITY CONTROL LABORATORY

Well-equipped lab for every batch to ensure strength & durability.

FOUNDATION & STRUCTURES

Strong foundations. Stronger structures. Built to last.

HIGH RISE BUILDINGS

Reliable concrete for high rise and mega projects.

ROADS & INFRA PROJECTS

Delivering strength for highways, bridges and infrastructure.

OUR INFRASTRUCTURE

Automatic Batching Plant | Cement Silos | Aggregate Bins | Weighing System | Admixture Dosing | Laboratory | Transit Mixers | Concrete Pumps | GPS Enabled Fleet

APPLICATIONS

Residential Buildings

Commercial Projects

Industrial Structures

Bridges & Flyovers

Roads & Highways

Metro & Rail Projects

Airports

Dams & Irrigation Works

WHY CHOOSE US?

- Modern Fully Automatic RMC Plant
- High Production Capacity
- IS Standard Mix Designs
- Quality Assured Concrete
- Timely Delivery
- GPS Enabled Transit Mixers
- Advanced Testing Laboratory
- Experienced Technical Team
- Competitive Pricing
- Reliable Customer Support

PSCC ELECTRIC POLE
MANUFACTURING
8 MTRS | 9.1 MTRS | 11 MTRS

- HIGH STRENGTH & DURABILITY
- CONFORMS TO IS STANDARDS
- QUALITY CONTROLLED PRODUCTION
- COST EFFECTIVE SOLUTION
- SUITABLE FOR URBAN & RURAL ELECTRIFICATION
- LARGE SCALE MANUFACTURING CAPACITY

OUR PSCC FLAT POLES

8 MTRS PSCC FLAT POLE | 9.1 MTRS PSCC FLAT POLE | 11 MTRS PSCC FLAT POLE

TECHNICAL SPECIFICATIONS

Parameter	8 MTRS	9.1 MTRS	11 MTRS
Total Length	8.0 Mtrs	9.1 Mtrs	11.0 Mtrs
Top Width	150 mm	150 mm	150 mm
Bottom Width	240 mm	265 mm	300 mm
Thickness	150 mm	150 mm	150 mm
Design Load	200 daN	200 daN	200 daN
Concrete Grade	M50 / As per IS		
Reinforcement	High Tensile Pre-stressed Steel Wires (As per IS 12843)		
Manufacturing Standard	IS 12843 : 2014		
Surface Finish	Smooth Finish with Chamfered Edges		
Pole Type	Pre-stressed Concrete (PSC) Flat Pole		
Application	11kV / LT Distribution Lines, Street Lighting, Rural & Urban Electrification		

MANUFACTURING PROCESS

1 RAW MATERIALS

2 REINFORCEMENT CAGE PREPARATION (FLAT POLE)

3 CONCRETE CASTING IN MOULDS (FLAT POLE)

4 CURING & STRENGTH GAIN

5 QUALITY CHECKS

6 READY FOR DISPATCH

KEY FEATURES

- Manufactured as per IS 12843 : 2014 Standards
- High strength pre-stressed concrete
- Uniform quality with controlled casting process
- Suitable for 11kV / LT distribution and street lighting
- Available in 8 Mtrs, 9.1 Mtrs & 11 Mtrs lengths
- Smooth finish, accurate dimensions and long service life
- Bulk supply capability for large projects
- Reliable and cost-effective electrification solution

APPLICATIONS

11KV / LT DISTRIBUTION LINES

STREET LIGHTING

RURAL ELECTRIFICATION

URBAN INFRASTRUCTURE

INDUSTRIAL PREMISES
